

Nelson Mandela (Hardback)

Filesize: 1.39 MB

Reviews

It is really an incredible publication which i actually have possibly read through. It really is written in easy phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Jodie Wehner)

HarperCollins Publishers Inc, United States, 2013. Hardback. Book Condition: New. Kadir Nelson (illustrator). 305 x 216 mm. Language: English . Brand New Book. One day when Nelson Mandela was nine years old, his father died and he was sent from his village to a school far away from home, to another part of South Africa. In Johannesburg, the country s capital, Mandela saw fellow Africans who were poor and powerless. He decided then that he would work to protect them. When the government began to keep people apart based on the color of their skin, Mandela spoke out against the law and vowed to fight hard in order to make his country a place that belonged to all South Africans. Kadir Nelson tells the story of Mandela, a global icon, in poignant verse and glorious illustrations. It is the story of a young boy s determination to change South Africa and of the struggles of a man who eventually became the president of his country by believing in equality for people of all colors. Readers will be inspired by Mandela s triumph and his lifelong quest to create a more just world.
