Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Not illustrated. 1915 Excerpt: . . . care, and the next morning, refreshed and invigorated, is ready for the new days toil; but the doctor, with Darbys wife, Neercansay, My work is done till judgment day. He has to keep going in storm and sunshine, facing wintry winds, traveling over ice and snow, plodding, studying, worrying until his face is wrinkled oer with care and his head is turning grey, and his gait is unsteady, and he is old before the time. This remark applies to the few who are gloomily inclined, but the physician needs to be an optimist, capable of dropping cares and getting on the sunny side of the street. Why should a man whose blood is warm within, Sit like his grandsire cut in alabaster Notwithstanding his duty brings him in daily contact with the frailties of human nature, he himself is usually genial and hopeful. This may be due to his efforts to relieve the sufferings and despondencies of others. The despondency of a patient is decreased by the visits of an optimistic physician. A bright countenance and hopeful words are as sunshine in the sick room. Mrs. Porter, in her Glad Book, makes her charming little character, Pollyanna, say to Dr. Chilton: I should think being a doctor would be the very gladdest kind of a business. Of course you are glad to help, and so that makes you the gladdest of any of us. We must march when the music cheers us, March when the...
