Reviews

Basically no words to clarify. Of course, it is perform, still an amazing and interesting literature. Its been printed in an exceptionally basic way which is only soon after i finished reading through this ebook where actually altered me, change the way i really believe.

SIMON SCHUSTER, United States, 2002. Paperback. Book Condition: New. Reissue. 170 x 102 mm. Language: English . Brand New Book. Seamlessly blending heart-pounding romance and breathless intrigue, New York Times bestselling author Linda Howard writes a masterful, stylish, and provocative suspense novel that absolutely defies readers to put it down. Daisy Minor is bored. Worse than that, she's boring. A plain, small-town librarian, she's got a wardrobe as sexy as a dictionary and hasn't been on a date in years. She's never even had a lukewarm love affair, let alone a hot one. So when she wakes up on her thirty-fourth birthday, still living with her widowed mom and spinster aunt, she decides it's time to get a life. But can a lifelong good girl turn bad? No, not exactly. But she can pretend, right? One makeover later, Daisy has transformed herself into a party girl extraordinaire. She's letting her hair down, dancing the night away at clubs, and laughing and flirting with men for the first time in, well, ever. With a new lease on her own place and her life, it's open season for man-hunting. But on her way home late one night, Daisy sees something she's not supposed to see. Suddenly the target of a killer, she's forced to put her manhunt on hold. But the very moment she stops looking might be the moment she finds what she's wanted all along. Trouble is, before he can share her life, he might just have to save it.
