Brand New Book ***** Print on Demand *****.Giulio Caruso grew up in an environment where he was expected to end up like everyone else-not getting any further than high school, getting into trouble, maybe ending up in jail. But he refused to believe those were his only choices. After finding a way out of Brooklyn and finding his calling as a chiropractor, Giulio made a successful life himself with his own practice and found himself with three sons. A Head Start began as a book for his three boys, to give them the advice Giulio wished he had received from his father to help him navigate a tough neighborhood. But this book is not merely good advice for kids at risk. Giulio s story will inspire anyone who wonders, How can I create a successful life? The wisdom in this book is not new, it s perennial. But it works, and Giulio Caruso s life is living proof.
