This item is printed on demand - Print on Demand Neuware - Research Paper from the year 2010 in the subject Pedagogy - Common Didactics, Educational Objectives, Methods, University of Cape Coast (Institute of Educational Planning and Adminsitration), course: Educational Adminsitration, language: English, abstract: Manging conflicts has become a serious issue gloabally and prompting school leaders to be proactive in this domain of their adminstrative tasks is deemd a step in the right direction. The study sought to find out how Head teachers are dealing with conflict issues as they emerge in their day to day administrative duties. In all ten (10) Head teachers, one hundred (100) Teachers and nine (9) Circuit Supervisors took part in the study. Questionnaires, interviews, and observations were instruments used for data collection. The studies showed that majority of primary school Head teachers have not received orientation on conflict management since their appointment into office. In addition, most Head teachers saw conflict situations as opportunities for growth and self-development, however, they held to the view that it should not be entertained in schools. Further findings pointed to the fact that Head teachers seems...
