I Get It Now!: A Guide to Teaching and Understanding Novels Using Centerline as an Example (Paperback)

By Dave McIntyre

Narrative LLC, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Using simple, direct language and clear examples lifted from the pages of an action-adventure novel accessible to young adults and mature readers alike, I Get It Now! teaches readers to understand and explain good literature. It lays out the fundamentals of literature in general and novels in particular, and then applies the words and concepts in a scene by scene, chapter by chapter analysis of the companion novel CENTERLINE. What makes this guide absolutely unique is that both the guide and the novel it addresses were written by the same author, a former English Literature and Composition instructor at West Point, and a 25 year veteran of graduate and undergraduate classrooms. He wrote the novel with teaching in mind, and wrote the guide with an understanding of how authors weave the parts of a novel together to achieve its effect. Additionally, he explains these concepts in a way that will help students improve grades in essays and classroom discussions. The worst four words a literature teacher or home-school parent can hear are these: I don't get...

Reviews

This book will never be straightforward to start on reading through but quite enjoyable to learn. Better than never, though I am quite late in starting reading this one. Your lifestyle span will probably be converted once you complete reading this publication.
