By Anonymous

Rarebooksclub.com, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1883 edition. Excerpt: . mater over left frontal lobe, and brain here contused. No basilar meningitis to naked eye. Microscopically.-- Optic nerves apparently normal. Case 5.--Henry C--, aBt. 23, kicked by a horse. On admission partially conscious, bleeding from left ear. Behind left ear was a compound comminuted depressed fracture of skull, with laceration of dura mater and brain. Elevation performed; died three days after injury. No ophthalmoscopic examination. Post mortem.--Fracture extended from parietal, across temporal fossa, to middle of sphenoid bone. No basilar meningitis to naked eye. Microscopically.--Optic nerves apparently normal. Case 6.-- Walter P--, aet. 1 . Eight days before admission one prong of a toasting-fork was stuck three quarters of an inch into his head. No symptoms ensued for four days, except discharge of a watery fluid from the wound; he was then brought to hospital. On admission there was a fine hole into the skull...

Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Dominic Collins**

This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.
