The polite dominant entrepreneurial delusion is that you can create your dream and reach it with hard work. Sounds good, right? You know better because you have tried and been attacked, and the attack did not feel good. It hurt. You were stopped. Increasingly, getting your team to the innovative dream is blocked by turd throwing (TTing) bullies, weasels, and abusers; all active members of the status quo, self-appointed as responsible for fighting change. When they throw turds, they mean to harm and stop you. Up until now, sadly, they normally win, and stop you. NOT ANYMORE #150; YOU HAVE A SHIELD! This is a positive innovation change story of success deflecting TTers and achieving your desired result. The TTers in the status quo do not give you any choice#151;do what they say, or you are banned. They stop constructive dialogue and impose TTing on the group, stopping any dialogue or progress. But you love the status quo, and you want the best for them. You want to make transformation and change for the better. Now, TTers beware. Creatives, change agents, people of difference, transformation leaders, and innovators have new approaches to deflect the negativity...
