International Management English is a ground-breaking new series developed by York Associates, who have been preparing professionals for international work for over 30 years. This training is delivered through extensive speaking and listening activities, professional input, skills practice, intercultural awareness-raising and case-study discussions. In addition, the book provides: an audio CD; a learning diary; a needs analysis; a glossary of key terms; tips for more effective language learning and how to improve performance at work; the opportunity to develop a personal action plan; and full answer keys and scripts of all the recordings.
