GIROLAMO SAVONAROLA: A PROPHET OF RIGHTEOUSNESS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Girolamo Savonarola: A Prophet of Righteousness The story of his life and work is here presented with the hope that the reader may find in it new courage for the work to which God has called him. Like all others who have written on this theme within the past quarter of a century, I must confess my indebtedness to the monumental work of Pasquale Villari, from which I have taken most of the extracts of sermons and letters which appear throughout the volume, though in many instances these have been carefully verified. It will be noticed that I have quoted frequently, and sometimes at length, from the sermons and other writings of Savonarola. This has been done with a purpose. The biography which means most to me personally is the one in which I hear the man s own voice, or read the words he himself penned. I am taking it for granted that my readers are like me in this respect. So instead of describing what Savonarola said, I have, whenever possible, let him say it. To guard against a one-sided or partisan presentation of the man and his work, the writings of his detractors, both Catholic and Protestant, have been examined as carefully as the writings of his most extravagant eulogists. Earnest and faithful attempt has been made to describe the man as he was. To the best of my strength, honestly and impartially, though it must be confessed sympathetically, I have endeavored to present in the following pages the real Savonarola.
