Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. A biting satire about a young man s isolated upbringing and the race trial that sends him to the Supreme Court, Paul Beatty sThe Sellout showcases a comic genius at the top of his game. It challenges the sacred tenets of the United States Constitution, urban life, the civil rights movement, the father-son relationship, and the holy grail of racial equality: the black Chinese restaurant. Born in the quot;agrarian ghettoquot; of Dickenson the southern outskirts of Los Angeles the narrator ofThe Sellout resigns himself to the fate of lower-middle-class Californians: quot;I d die in the same bedroom I d grown up in, looking up at the cracks in the stucco ceiling that ve been there since the 68 quake.quot; Raised by a single father, a controversial sociologist, he spent his childhood as the subject in racially charged psychological studies. He is led to believe that his father s pioneering work will result in a memoir that will solve his family s financial woes. But when his father is killed in a police shoot-out, he realizes there never was a memoir. All that s left is the bill for a drive-thru funeral. Fuelled by this deceit and the general disrepair of his hometown, the narrator sets out to right another wrong: Dickens has literally been removed from the map to save California from further embarrassment. Enlisting the help of the town s most famous residentthe last surviving Little Rascal, Hominy Jenkinshe initiates the most outrageous action conceivable: reinstating slavery and segregating the local high school, which lands him in the Supreme Court.
