We Others

By Steven Millhauser

Hardback. Book Condition: New. Not Signed; A magnificent collection from the Pulitzer Prize-winning author: stories from across three decades that showcase his indomitable imagination. Steven Millhauser's fiction has consistently, and to dazzling effect, dissolved the boundaries between reality and fantasy, waking life and dreams, the past and the future, darkness and light, love and lust. The stories gathered here unfurl in settings as disparate as nineteenth-century Vienna, a contemporary Connecticut town, the corridors of a monstrous museum, and Thomas Edison's laboratory, and they are inhabited by a wide-ranging cast of characters, including a knife thrower and teenage boys, ghosts and a cartoon cat and mouse. But all of the stories are united in their unfailing power to surprise and enchant. From the earliest to the stunning, previously unpublished novella-length title story-in which a man who is dead, but not quite gone, reaches out to two lonely women-Millhauser makes our world turn amazing (The New York Times Book Review). With this collection, Steven Millhauser carves out ever more deeply his wondrous place in the American literary canon. Praise for Steven Millhauser's *Dangerous Laughter* There is a ferocious restlessness in [these] stories, a mingling of desire and dread.mesmerizing - Cathleen Medwick, O,...
