

The Green and the Black: The Complete Story of the Shale Revolution, the Fight Over Fracking, and the Future of Energy (Hardback)

By Gary Sernovitz

St. Martin's Press, United States, 2016. Hardback. Book Condition: New. 236 x 155 mm. Language: English . Brand New Book. Gary Sernovitz leads a double life. A typical New York liberal, he is also an oilman - a fact his left-leaning friends let slide until the word fracking entered popular parlance. How can you frack? they suddenly demanded, aghast. But for Sernovitz, the real question is, What happens if we don't? Fracking has become a four-letter word to environmentalists. But most people don't know what it means. In his fast-paced, funny, and lively book, Sernovitz explains the reality of fracking: what it is, how it can be made safer, and how the oil business works. He also tells the bigger story. Fracking was just one part of a shale revolution that shocked our assumptions about fueling America's future. The revolution has transformed the world with consequences for the oil industry, investors, environmentalists, political leaders, and anyone who lives in areas shaped by the shales, uses fossil fuels, or cares about the climate - in short, everyone. Thanks to American engineers' oilfield innovations, the United States is leading the world in reducing carbon emissions, has sparked a...
