The Fall of the House of Usher: (Low Cost). Limited Edition (Paperback)

By Edgar Allan Poe

Createspace, United States, 2015. Paperback. Book Condition: New. Limited. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The story begins with the unnamed narrator arriving at the house of his friend, Roderick Usher, having received a letter from him in a distant part of the country complaining of an illness and asking for his help. Although Poe wrote this short story before the invention of modern psychological science, Roderick's condition can be described according to its terminology. It includes a form of sensory overload known as hyperesthesia (hypersensitivity to textures, light, sounds, smells, and tastes), hypochondria (an excessive preoccupation or worry about having a serious illness), and acute anxiety. It is revealed that Roderick's twin sister, Madeline, is also ill and falls into cataleptic, deathlike trances. The narrator is impressed with Roderick's paintings, and attempts to cheer him by reading with him and listening to his improvised musical compositions on the guitar. Roderick sings The Haunted Palace, then tells the narrator that he believes the house he lives in to be alive, and that this sentence arises from the arrangement of the masonry and vegetation surrounding it.

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
