

Yavalath Co. (Paperback)

By Nestor Romeral Andres

Lulu.com, United States, 2014. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.Yavalath is a board game with extremely simple rules, but an emergent twist that makes it interesting and fun to play. It came about as a result of the following question: can computers invent board games? This book features 15 games that can be played with a Yavalath set, including Yavalath itself. A Yavalath set consists of a hexagonal board of 5 hexes per side, 30 black stones, 30 white stones and at least 25 red stones. Grab some friends and a Yavalath set, and have some fun!.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
