This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Scholastic US. Paperback / softback. Book Condition: new. BRAND NEW, Julian Rodriguez Episode One: Trash Crisis on Earth, Alexander Stadler, It's out of this world! The first in a hilarious, fully illustrated series for young chapter-book readers, now in paperback. Julian Rodriguez is on a mission for the Mothership. He's been sent to Earth to study human lifeforms and their bizarre habits--from their disgusting diet (orange sticks named carrots, flavorless liquid called water, and the revolting substance known as vegi-dogs) to their repressive treatment of their young (forcing them to carry out menial tasks known as chores, withholding access to the great cultural masterpieces called cartoons). When Julian's Maternal Unit assigns a hideous task, it's nearly too much for the hardened space veteran to bear--but he finds his courage at last.
