Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, Stephen Harris in Trouble: A Dyspraxic Drama in Several Clumsy Acts, Tim Nichol, Eleven-year-old Stephen Harris is a clumsy boy: he spills juice at the dinner table, loses his school bag on the bus and struggles to read his own messy handwriting. How will he cope at secondary school, where there will be so many different things to learn and remember, when he can't even tie his shoe-laces? Stephen's school life looks set to be full of trouble until a new teacher and a special needs advisor arrive to help Stephen with his coordination, concentration and organisation difficulties. Taking a light-hearted and humorous look at life through the eyes of an eleven-year-old boy, this book recounts the everyday problems that are faced by children with Developmental Co-ordination Disorders (DCDs), and contains creative and positive approaches to teaching and parenthood that readers will find hugely supportive.
