Getting good medical care shouldn't be so confusing--or so costly. Healthcare, Insurance, and You simplifies the many confusing details about our healthcare system so you can make informed decisions. Result? Better health at lower cost. With the advent of healthcare reform, things are changing--especially when it comes to insurance. Most people will now have to buy insurance. Do you know where to get a policy or what to look for in one? Did you know more people will now qualify for free or subsidized healthcare? Healthcare, Insurance, and You is an easy-to-use guide that explains the main challenges you face when trying to get excellent healthcare: choosing the best insurance policy for your situation, finding the right doctor or hospital, buying prescription drugs the least expensive way, picking out the right Medicare plan, or fighting for your rights when dealing with insurers or medical providers. Healthcare, Insurance, and You includes tips, resources, and strategies for navigating the healthcare system and avoiding common mistakes so you can get the best healthcare for you, your family, or your organization without breaking the bank.
