Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

THE BOURNE IDENTITY

Orion Publishing Co. Paperback. Book Condition: new. BRAND NEW, The Bourne Identity, Robert Ludlum, He has no past. And he may not have a future. The first in the Jason Bourne series from internationally bestselling author Robert Ludlum: 'the world's most read writer' GQ He was dragged from the sea, his body riddled with bullets. There are a few clues: a frame of microfilm surgically implanted beneath the skin of his hip; evidence that plastic surgery has altered his face; strange things he says in his delirium, which could be code words. And a number on the film negative that leads to a bank account in Zurich, four million dollars and a name for the amnesiac: Jason Bourne. Now he is running for his life. A man with an unknown past and an uncertain future, the target of assassins and at the heart of a deadly puzzle. He's fighting for survival and no one can help him - except the one woman who once wanted to escape him.
