Child Training (Classic Reprint) (Paperback)

By Virgil Mores Hillyer

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Child Training This book sets forth a system of training for a child under school age and lays out a course of lessons and drills that can be given a class or an individual by either the trained or the untrained teacher or parent. It may recall the principles or theories of Comenius, Locke, Rousseau, Pestalozzi, Herbart, Froebel, James and others, but its practical applications are the result of many years specializing in the education of young children. It aims to avoid the faults so common in child training - sentimentality, effeminacy, emotionalism, mysticism, license under the guise of freedom, exaggeration of the unimportant or trivial, the attaching of imaginary value to the symbolic. It emphasizes Drill and the Formation of Habits, the Cultivation of Qualities and Development of Powers by Drill. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- **Joshua Gerhold PhD**

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

-- **Meagan Roob**
