The Minimum Wage Commission herewith respectfully submits the following report which contains an account of the investigations and proceedings conducted during the fiscal year ending November 30, 1920. Organization and Functions. Through the consolidation of State departments, December 1, 1919, the functions of the former Minimum Wage Commission were transferred to the three Associate Commissioners of the Department of Labor and Industries, who, when acting in minimum wage matters, are designated the Minimum Wage Commission. The work is conducted by the Division of Minimum Wage, and is under the immediate supervision of the Assistant Commissioner. The duties of the Commission, as in the past, cover four main lines of activity. These are the investigation of wage conditions in occupations where women are employed; the organization of wage boards to determine minimum rates for women and minors; the entering of decrees based upon the determinations of the boards; and the inspection of establishments covered by decrees to ascertain compliance with their provisions. Summary of the Work for 1920. In view of the work in progress at the time of reorganization, it was decided to complete the unfinished business before undertaking new activities. Consequently the major part of the work during the year just ended has consisted in carrying out this program. The wage boards which had been authorized have been convened, and the wage investigations planned have been conducted.
