Reviews

*This publication is wonderful. I have got study and so i am confident that i am going to likely to read once again once more down the road. Its been designed in an exceedingly straightforward way which is only soon after i finished reading this ebook by which actually altered me, change the way i think.

BABY, WE WERE MEANT FOR EACH OTHER: IN PRAISE OF ADOPTION

Random House, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: In this warm, funny, and wise new book, NPR's award-winning and beloved Scott Simon tells the story of how he and his wife found true love with two tiny strangers from the other side of the world. It's a book of unforgettable moments: when Scott and Caroline get their first thumb-size pictures of their daughters, when the small girls are placed in their arms, and all the laughs and tumbles along the road as they become a real family. Woven into the tale of Scott, Caroline, and the two little girls who changed their lives are the stories of other adoptive families. Some are famous and some are not, but each family's saga captures facets of the miracle of adoption. *Baby, We Were Meant for Each Other* is a love story that doesn't gloss over the rough spots. There are anxieties and tears along with hugs and smiles and the unparalleled joy of this blessed and special way of making a family. Here is a book that families who have adopted--or are considering adoption--will want to read for inspiration. But everyone can enjoy this story because, as Scott Simon writes, adoption can also help us understand what really makes families, and how and why we fall in love.
