

African-Americans and AIDS (The Untold Story): Why are Black People Still Dying of (AIDS) While Other Races are Not? (Paperback)

By Lessie Myles

AUTHORHOUSE, United States, 2009. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is a work of non-fiction. It is written in simple, easy to understand terminology (avoiding hard-to-understand medical jargon). Its message derives from a spirit of Love for the African-American race. It is expressed in the form of a story. The time-line of the story begins in the turbulent decade of the 1960 s. In retrospect, this era marks the precursor for HIV/AIDS. There were two notable changes that occurred in the mid 1960 s, providing the gateway for the HIV virus to ignite and quickly spread; especially among the younger generation: sexual freedom and illegal drug usage. Not long afterwards, both became epidemics. These two catastrophic epidemics caused a moral decline in American culture. However, African-Americans were disproportionately affected and suffered the most. By the time the mid 1970 s rolled around, the transition from a conservative, family-oriented, religious nation soon became a nation of radical, rebellious young citizens that fought against a system that governed its people. This downward spiral began to manifest itself in the form of babies being born out-of-wedlock; a surge in...
