The campus consists of forty acres so situated and beautified that it amply meets the needs of a campus for young women. The soil is sandy and with our mild climate the campus can be used the greater part of the year for recreation and outdoor athletics. Much money and labor have been spent in beautifying the campus. Hattiesburg is at the junction of four railroads and two or three more are under consideration. Eighteen passenger trains enter the city daily. We are on the New Orleans Northeastern, 111 miles from New Orleans and 85 miles from Meridian; we are 90 miles from Jackson and 70 miles from Gulfport on the Gulf Ship Island; we are 125 miles from Natchez via the Mississippi Central and 96 miles from Mobile via the New Orleans, Mobile Chicago. Students from any portion of South Mississippi may reach us by means of these roads and their connections within a few hours.
