Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. This audiobook tells the story of the Balliol family as they exist through the suffrage movement and the end of the Edwardian era to the Great War. The Balliol children are subject to the effects of the warthe harsh discipline and the subsequent laxness, the breakup of family loyalties, the post-war cynicism and, in the youngest child, the ultimate trend back to a sounder pattern of life. The action of this audiobook, which is swift, continuous, and dramatic, develops side by side with the plot of its theme that to build a sanctuary, you must destroy a sanctuary ; that the destruction to which these 30 years have been witness was an inevitable and necessary part of progress. Vigorously pursuing the fortunes of an English family during the most turbulently shifting period in history, The Balliols combines the feeling of Cavalcade with the powerful narrative flow of the Forsythe Saga. Alec Waugh (1898-1981) was a British novelist born in London and educated at Sherborne Public School, Dorset. Waugh s first novel, The Loom of Youth (1917), is a semi-autobiographical account of public-school life that caused some controversy at the time and led to his expulsion. Waugh was the only boy ever to be expelled from The Old Shirburnian Society. Despite setting this record, Waugh went on to become the successful author of over 50 works, and lived in many exotic places throughout his life which later became the settings for some of his texts. He was also a noted wine connoisseur and campaigned to make the cocktail party a regular feature of 1920s social life.
